GENERAL DESCRIPTION

The Beneteau Antares 36 Fly Millenium is a smart choice for those seeking comfort, simplicity, and freedom of use, with the practical advantage of being a vessel under 10 meters that makes every outing more spontaneous and hassle-free. The spaces are designed to truly embrace the sea, featuring a bright dinette that opens out to the exterior and two cozy cabins that allow you to enjoy weekends and vacations in total relaxation. The Webasto heating system extend usability even beyond the typical season, while the bow and stern thrusters make every maneuver easy and stress-free, even in port. The flybridge becomes the ideal spot to relax or spend time together, and the bimini top provides shade during the hottest hours, ensuring the boat remains comfortable at all times. Raymarine electronics offer simple control and smoother navigation, perfect for those who want to enjoy the trip without a care in the world.

The data provided in this brochure is not to be considered contractual.
