Hull Material	Fiber Glass

HABITABILITY

People on Board	10
Total berths	6
Cabins	3
Baths	2

Interiors	3 x Double King Size, 2 x Toilet with shower no bidet

GENERAL DESCRIPTION

A second-hand Bavaria C42 with a furling mainsail and Elvstrom genoa – a practical solution for those looking for a boat that's ready to sail, easy to handle and perfect for enjoying the sea in comfort and simplicity. The interior layout features 3 double cabins and 2 bathrooms, making it ideal for cruising with family or friends. There are plenty of optional extras to ensure comfort on board: the teak cockpit offers a practical and pleasant space for socialising throughout the day; solar panels increase range at anchor and reduce the need to return to port; 2 electric winches and a bow thruster simplify manoeuvres, making them quicker and safer even with a small crew; and the aft platform provides immediate and easy access to the water. The bimini and sprayhood provide protection and allow the boat to be used in a variety of conditions, ensuring the outdoor spaces are always usable. The equipment is completed by B&G electronics featuring a dual GPS plotter, AIS receiver and autopilot, a setup designed to keep everything under control in a simple and reliable manner.
The information provided in this specification is not to be considered contractual.
